Rules:

World of Wearables Evening at the Combined NZ -Australia Conference May 2018

Club or individual creation:

Object: to create a wearable garment from recycled material that can be worn and modelled, together with a name to match the design.

Two categories

1. **Open Section:** A garment of your choice that must be able to be worn and modelled with matching hat and shoes and made from recycled material.
The garment must also have a name or title to match the design.
2. **Bazaar Bra Section:** A bra that can be worn and modelled, again from recycled material. Also named to suit the design.

Each garment entry must have the story behind the garment created, along with the materials used and the name of the garment.

If you would like a special piece of music to complement your entry, please add the name of the music you would like as the accompaniment.

Please submit your entry name, category and music to

Linda Bergman thebergmans@xtra.co.nz by the 1st February 2018.

Your actual garment to be presented to the judging panel on the Friday of conference on the 4th May 2018
