

Powertalk Australia and New Zealand Combined Conference 2018

New Beginnings “Matariki”

Dear Members, Kia Ora

Things are really heating up and it is just a few short weeks **(10)** away to our fabulous combined event.

I would love to see as many of you as possible and welcome you to Nelson NZ...

Important Information:

I have secured another 5 rooms at the hotel for accommodation so if you have **not booked** yet, it is first in, first served; please use the booking reference **15204 powertalk**. Once all rooms are booked, you will have to find your own accommodation **off the conference site**. all rooms will be released if not booked by **31 March 2018**

Reminder: that registration for WoW entries has been **extended to 1st April** but please send them to me earlier as I do need to catalogue the entries...I have received the first WoW entry registration...so that is very exciting 😊.

I hope you are all busy creating your entries... to make this a conference to remember.

If you have **booked your room** but **not yet registered**, please do that as soon as you can as we need to know who is coming for catering and allocation of duties etc.

The two Regions have confirmed presenters, workshops and the keynote speaker and I will send that information and programme to you in next update.

If anyone would like to book pre or post conference trips, this is the address of the:

Nelson I-site: www.nelsontasman.nz Events: www.expedia.co.nz

Trip advisor: www.tripadvisor.co.nz

Not to be missed: WOW Arts and Car Museum, Day Trip to Able Tasman National Park, Day trip to Kaiteriteri Beach, the many local arts, crafts and restaurants and award-winning vineyards.

Ngā mihi

Linda Bergman, Conference Co-ordinator
