2. The type of recycled material used
3. GARMENT TO CONTAIN AT LEAST 50% RECYCLED MATERIAL
4. How well the garment is made
5. How well the garment matches the name and script
6. The creativity of the design
7. Music track to complement the design (used in the parade for the peoples award)
8. Peoples Award score will be added to the judges' score for overall winner

OBJECT:

To create a wearable garment made from at least 50% recycled material, together with a name to match the design, and that can be worn and modelled.

TWO CATEGORIES

1. Open Section: A garment of your choice that must be able to be worn and modelled with matching hat and shoes and made from at least 50% of recycled material.

The garment must also have a name or title to match the design.

2. Bizarre Bra Section: A bra that can be worn and modelled, again from recycled material. Also named to suit the design.

Each garment entry must have the story behind the garment created, along with the materials used and the name of the garment.

If you would like a special piece of music to complement your entry, please add the name of the music you would like as the accompaniment.

Please submit your entry name, category and music title to

Linda Bergman thebergmans@xtra.co.nz by the 1st April 2018.

Your garment is to be presented to the judging panel on the Friday of conference on the 4th May 2018 by 1.00pm
